

The Leo Marchutz School of Painting & Drawing presents

A Bend in the Road: A Poetry & Art Workshop at the National Gallery of Art, Washington, D.C.

Sunday, April 30, 2023, 1:00 – 5:00 PM

In honor of National Poetry Month, we invite you to discover the power of contemplative looking and reflective writing in this half-day workshop at the National Gallery of Art in Washington, D.C. on Sunday, April 30th. Led by 2023 Youth Poet Laureate, Sophia Hall, artist/educator Nick Velleman, and artist Amelia Myre, the group will step inside the colors, light, and form of Paul Cézanne's *A Bend in the Road*, among other works in the National Gallery. Inspired by poetry and works of art, we will explore this particular painting as a metaphor for life's journeys and creative ground for crafting memoir, poetry, and more. This program is intended for anyone interested in an immersive experience in art and poetry; all ages, experience levels, and backgrounds are welcome and encouraged to attend. Join us!
